This is the draft. I will send a routing package now.

To be clear- I am preparing a response for the letter that is controlled only. Is the expectation that we respond to the others that are not controlled?

Thanks Jeaneanne, we can do that.

Erica – I'm attaching other letters we've received from members of the U.S. House/Senate, and if there are others we will flag those as well. If you need any specific assistance with suggested language for these letters please let me or Rosemary know.

Kelly – If there are any other letters from the U.S. Congress please share those as well.

Tom

Mita, Matt, Kavita and Michael – As a follow-up to the email below regarding a letter we received from two members of the U.S. Congress about Florida Assumption, I'd appreciate you sharing any recommendations **Ex. 5 Deliberative Process (DP)**

## Ex. 5 Deliberative Process (DP)

### Ex. 5 Deliberative Process (DP)

The letter is attached and has been controlled for signature by our External Affairs Office.

Erica – The attached letter was sent to our dedicated email for the assumption public comment period. In addition, we received three other letters from members of the U.S. Congress regarding Florida Assumption that I believe are not currently controlled and that we will address as part of our responsiveness summary. I have not reached-out to Brandi or Allison, but they are well aware of Florida Assumption and may have a recommendation on how to best address the letter.

Erica – The letter was submitted during EPA's public comment and appears to provide comments that would be part of our administrative record for taking action on Florida's request for assumption. I'm including Mita and her staff on this email to weigh-in. **Ex. 5 Deliberative Process (DP)**

Tom, please see this control letter for support of FL Assumption for Mary's signature. We are not responsible for RA signature. It is due back to OEEO by 11/10 (Tuesday). If there is a current desk statement I can help draft and start to route the letter.

Thanks, Erica

The attached control has been assigned to James Pinkney as the POC; he will work with WD to prepare a response for the RA's signature. Once the response is completed please email it (the final word document) and the attached routing slip to James and copy me. The response is due to OEEO no later than 11/10/2020. OEEO will route the response to the Immediate Office for signature.
